HELP LAUNCH HERE!

Be a part of Learning Launch 2022, our 6th annual back-to-school drive that gets teachers the supplies they really need to accelerate student learning. Your gift will equip educators and students with teacher-requested learning supplies not provided within limited public-school budgets. Each school year, Dallas ISD teachers spend an average of \$600 out of their own pockets to supplement classroom supplies. Learning Launch provides supplies to each of our 48 campuses, benefitting 26,110 students and 2,100 educators.
